

Service Project Report

Club Name: Lions Club of Colombo Legends United

Project Theme: Youth

Project Description:

A student named Mahima lost his father about 2 years ago when he was pursuing his Bachelor of Technology Degree in Mechanical Engineering at the Open University. With his father's demise his family found it very difficult to meet his educational expenses. At that point the Chairman of this Project decided to offer him an educational scholarship for him to complete his education at the Open university. This service project meets the expenses of one of the Semesters course fees of this degree programme.
