Project Description:

On 28 March 2025, a Mw 7.7 earthquake struck the Sagaing Region of Myanmar, with an epicenter close to Mandalay city which resulted an unprecedented disaster killing and injuring a large number of people and destroying many buildings. Myanmar military government made a worldwide plea requesting urgent humanitarian assistance. Sri Lanka is providing assistance in several ways including collection and dispatching essential food, sanitary, shelter and medical items. In response to this, our Lions Club made an urgent decision to provide relief by donating essential items identified by humanitarian organizations. Our Club donated the following items to Maha Sangha Headquarters – Lanka Ramnna Nikaya, No 566, Elvitigala Mawatha, Colombo 07. We made this disaster relief donation at a very appropriate time as we witnessed organizing and packaging many donations received to be dispatched by a cargo plane scheduled during the following day.
