Dear Reader,

A new Lions year had begun. With much pleasure we have rolled out the first review of our Wrap up bulletin for the period of July 2024 to April 2025 under the leadership of Lion Diana Nilanthi.

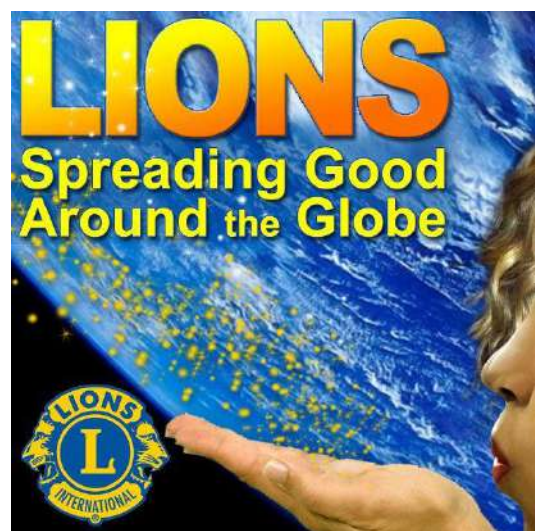

I always strive to keep this bulletin short, sweet and interesting, so that our dear readers wouldn't lose the interest of reading it.

Whilst you take a glimpse of this short bulletin I would sincerely request you take a little time to give your valuable advice/suggestion, or comments on the bulletin. Your output will be accepted in a very positive note, thus may assist me to further improve our next issue.

Our club special thanks to our District Governor Lion Saman Jinadasa for his excellent leadership to district as at today.

Thank you and enjoy!

Augustine Perera,  
Administrator / Editor – Stratford City Wrap up Bulletin
