**Activation of Project “Eagle Eye” in Collaboration with Mawanella Police Station**

Dear Members,

I am writing to inform you about a community safety initiative titled “**Project Eagle Eye**”, which has been officially activated in collaboration with the **Mawanella Police Station**.

The primary aim of this project is to enhance public security and surveillance by **installing CCTV camera systems** at selected, strategically important locations across the Mawanella area. The project was **initiated from the premises of my company, Brightcleen Private Limited, located at No. 911, Ganethanna, Hingula**, where a **dedicated security point** has been constructed for police officers to monitor the camera footage. This station includes a **screen installed inside** to provide real-time surveillance and effective monitoring.

We are pleased to report that several key areas are now covered under this project. Below is a list of locations where CCTV cameras have already been installed, along with the cost details and information about the individuals or organizations that made generous contributions:
