Lectures on “Secure future for children, a society filled with moral values, and a safe and beautiful tomorrow” conducted at Manikdiwela Central College

1. **Date:** 6-3-2025 from 8.30 am to 1.30 pm
2. **Location:** Auditorium of Manikdiwela Central College
3. **Project Description:**

During discussions with the Zonal Director of Education for the Denuwara Zone, the members of the "AKURU DIRIYA" main committee identified the urgent need to launch initiatives aimed at preventing drug addiction and child abuse among students in the Denuwara Educational Zone. As a response to the Zonal Director's recommendation, we engaged in further conversations with both the Zonal Director and the Additional Director of Counseling. Together, we agreed to develop a comprehensive multi-year action plan, which will be executed based on the availability of funds.

To kick off this crucial program, we organized two lectures targeted at students in Grades 10, 11, 12, and 13 at Manikdiwela Central College. Additionally, we extended invitations to students from nearby schools, including Amunupura KV, Thismada KV, Udawela KV, and Rattepititiya MV.
