

Project Report: Project Clean and Nurture

Theme: Youth Development

Submitted Date: 29th August 2024

Venue: Sri Sumedhankara Maha Vidyalyaya, Trincomalee

Project Date: 29th July 2024

Actual Total Project Cost: Rs. 95,000.00

1. Introduction

On the 29th of July, 2024, our Lions Club successfully executed **Project Clean and Nurture** at Sri Sumedhankara Maha Vidyalyaya, Trincomalee. This initiative was undertaken at the request of the school's principal, Mr. Mangala, and coordinated by Vice Principal Mrs. Dharshani. The project aimed to enhance the educational environment and promote good practices among students by providing essential facilities such as a refrigerator and dustbins.

2. Objectives

- To provide a safe and conducive environment for learning by promoting cleanliness.
- To enhance the practical learning experience in the Home Science room.
- To support youth development by fostering responsibility and environmental awareness.

3. Project Implementation

The project was led by Project Chairman Lion D.J.M. Sameera Viduranga MAF and Co-Chairman Lion Kantha Sunil MAF, with the support of several dedicated committee members, including Abdul Hassan Mohamed Jabrees PMAF, H.W. Wageesha Sathsarani Hewawitharana MAF, and J.P. Nayana Shamali Jayaweera.

A refrigerator was donated to the Home Science room, greatly benefiting the students by allowing them to store perishable items needed for their curriculum. This supports hands-on learning, promotes better nutrition, and ensures food safety practices. Additionally, five dustbins were strategically placed around the school premises to encourage proper waste management and maintain a clean and healthy environment.

4. Cost and Funding

The project incurred a total cost of Rs. 95,000.00, which covered the expenses for the refrigerator, dustbins, logistics, and transportation. The funds were generously contributed by project members, including:

- **D.J.M. Sameera Viduranga Jayamaha:** Rs. 95,000.00

5. Participants and Committee Members

The project was executed with active involvement from the following participants:

- **Lion D.J.M. Sameera Viduranga Jayamaha** (Project Chairman)
- **Lion H.W. Kantha Sunil Hewawitharana** (Co-Chairman)
- **Lion Abdul Hassan Mohamed Jabrees** (Committee Member)
- **Lion H.W. Wageesha Sathsarani Hewawitharana** (Committee Member)
- **Lion J.P. Nayana Shamali Jayaweera** (Committee Member)

6. Impact and Beneficiaries

Direct Beneficiaries: 625 students actively engaged in the Home Science curriculum and cleanliness activities.

Indirect Beneficiaries: 745 additional students and staff members who benefit from a cleaner and better-equipped school environment.

The project positively impacted the school by enhancing practical learning opportunities and promoting cleanliness, health, and environmental awareness among students.

7. Feedback and Evaluation

Feedback from the school's administration has been very positive, highlighting the improvement in the school's environment and the enhancement of students' learning experiences. The principal, Mr. Mangala, expressed his gratitude for the club's commitment to community service and educational development.

8. Conclusion

Project Clean and Nurture effectively met its objectives, supporting the educational development and well-being of the students at Sri Sumedhanakara Maha Vidyalaya. The project aligns with our club's mission to serve the community and enhance the quality of education in the region.

9. Acknowledgments

We extend our heartfelt thanks to all project members, contributors, and the school administration for their support in making this project a success.
