Fairly a big scale alms giving activity was conducted at Nissarana Aranya Senasana at Amithirigaga on 12.08.2024 in Kegalle District. This is basically a jungle where Buddhist monks meditate like hermits and they live in separate huts inside the jungle scattered all over the place. They come out of their living hut at a specific time for morning meal and gather at one place.

This is the place where our lions conducted this meritorious humanitarian act led by Lion Prasanna Rajapakse and Lion

Theja Rajapakse and their children. This lion family borne the entire cost of the event.
