Theme- Religious and Spiritual project

Buddhist and Hindu religious and rituals were conducted with a view to promote religious and ethnic harmony.

Impact :-

This is a very important programme for Sri Lanka because Sri Lanka has undergone enormous hardships and lost hundreds of thousands of valuable lives due to ethnic and religious conflicts.

"Enough is enough" and religious harmony and ethnic harmony should be maintained at any cost at all times.

That is why Lions gave a prominent place for this event and organized religious activities and rituals which belongs to both Buddhists and Hindus.
