Sub Theme- Any other humanitarian related projects

Commemoration of Universal Elders Day. Fulfilling elderly needs

Lion Hemantha and Lion Lady Moreen organized the event.

Description and impact

All the residential elders were provided with lunch on 2nd October 2024 at "Sanda Sevana" elders home at Pahathgama, Hanwella.

These elders belong to different religions and they observed their religious rituals through this programme. This is not merely providing a meal. It's more than that. It is a mental consolation.

They are desperately waiting for some visitors and it is a different day for them and different mental therapy.
