Description and impact -

15 children were provided with lunch at Pizza hut, Avissawella on 1st October 2024

Those children cannot afford to go for Pizza due to its high price. However Lions Club of Avissawella provided them a good Pizza lunch and children enjoyed thoroughly because some of them have never had Pizza before.

They danced. Sang songs and it was a joyful afternoon for Lions as well. It reminded the lions how to make children happy by way of offering something which they like, not we like.
