Distribution of dry rations for " Sarvodaya" children orphanage at Kosgama with the support of Lion Krishnamurthi who is a member of lions Club of Avissawella.

This orphanage is in a very pathetic situation due to food scarcity. After all these are children and they are not at all responsible for suffering like this.

Therefore we consider this programme as a programme which has gone beyond normal humanitarian activity.

This orphanage is entirely depend on outside donations like this and if the donations are dwindling the hunger of the children will also be increased.

There are 23 children living at present in this orphanage

Lion roshan pinnalawaththa and lion lady Krishanthi Pinnalawaththa participated
