Theme- Education and Humanitarian assistance

28/01/2025

Thummodara Kanista Vidyalaya which is one of the poorest schools in the area and this year is historic for them because one student got through 5th year scholarship examination after so many years.

But there is no encouragement for them and moral support due to less privileged previled conditions and less facilities in the school

Therefore Lions Club of Avissawella decided to present a special gift for him and presented during a special ceremony.

Also there was another student who crossed the required marks level. Therefore he was also a given a present
