Donation of building material to repair water supply system of Seethawaka National School on 23rd January 2025

This is biggest school in Avissawella area and students were handicapped with pure drinking water due to break down of the water supply system.

Principle of the school requested the lions Club of Avissawella to help them to repair the water supply system and lions Club emediatly responded and collected money from members.

They generously donated money to buy building material and donated the entire stock. At a latter date this project willbe inaugurated and handed over to School.

At the moment construction work is going on.
