### Volleyball Tournament

This is an islandwide event and long awaiting programme for volleyball fans because this programme takes place once year organised jointly by Lions Club of Avissawella and Chandra sports club

This programme provides an fine opportunity for new volleyball teams and school teams to contest face to face with national players

Furthermore this programme provides an opportunity for thousands of sports lovers to witness first class volleyball matches during this tournament because almost all national teams used to participate in this great event.

This is in a way volleyball coaching camp for new comers.

Volleyball is one of our national games and as a result of organizing this kind of tournaments , interest for volleyball can be protected.
