## Donation of books for school library

This School is also a deserving one and deprived of facilities. There are 1650 students and 28 teachers. Therefore, Lions Club of Avissawella decided to help this school by way of donating Rs. 41390 amount of 160 books for school library.

Reading is very important for school children nowadays because there is a tendency to read and watch other unwanted stories through social media and other sources.

Therefore it is very important to increase the reading habit of children at the early stage itself.
