

Project Report: Reading Spectacles Donation for the Elderly

Lions Club of Colombo Royalty
Date of Project: 9th November 2024
Location: St. Anne’s College, Kurana, Negombo
Occasion: Region 3 Project Day

1. Introduction

In alignment with our mission to serve communities with compassion and care, the **Lions Club of Colombo Royalty** participated in a meaningful initiative aimed at supporting the elderly in the Kurana area. The project involved donating funds for the **distribution of reading spectacles**, directly enhancing the quality of life for elderly individuals who suffer from impaired vision but lack access to basic eye care.

2. Project Objectives

- Improve the vision and daily functionality of elderly community members.
- Promote eye health and accessibility to essential optical care.
- Contribute to Region 3’s collective outreach efforts during Project Day.

3. Project Implementation

- **Date of Implementation:** 9th November 2024
- **Venue:** St. Anne’s College, Kurana, Negombo
- **Target Group:** Elderly individuals in the Kurana area with vision impairments

This collaborative effort, supported by various clubs, made it possible to extend quality care to those in need.

5. Impact and Outcomes

- Directly benefited elderly individuals, many of whom rely on reading spectacles for independence and improved well-being.

- Reinforced the Club's dedication to healthcare-related service projects.
- Strengthened the collective impact of Region 3's community outreach on Project Day.

6. Conclusion

The Lions Club of Colombo Royalty remains deeply committed to community service, especially in the areas of healthcare and elderly welfare. This project reflects our belief that access to basic medical needs like vision care should be a right, not a privilege. We look forward to continuing our involvement in impactful initiatives that uplift and serve those most in need.
