## 1. Introduction

On the morning of 23rd November 2024, the Lions Club of Colombo Royalty carried out a major eye care initiative by distributing 500 pairs of spectacles to individuals in need. This project aimed to support visually impaired members of the community by providing them with corrective eyewear, thereby improving their quality of life and empowering them through better vision.

## 2. Leadership and Organization

- **Project Chairperson:** Lion Mohamed Riyas
- **Event Coordinator:** Lion Shirani Jayasinghe

These key leaders, along with an enthusiastic team of volunteers, ensured the event was planned and executed with professionalism and heartfelt service.

## 3. Objectives

- To provide free corrective spectacles to individuals who cannot afford them.
- To improve vision and overall well-being among underserved communities.
- To reinforce the Lions Club’s commitment to accessible healthcare services.

## 4. Key Activities

- **Distribution of Spectacles:**  
500 spectacles were distributed to community members at the event. Each recipient received their personalized prescription lenses free of charge.
- **Volunteer Support and Guidance:**  
Lions Club volunteers provided guidance and ensured smooth flow and proper handover of the spectacles to beneficiaries.

## 5. Impact

- **Enhanced Quality of Life:**  
Beneficiaries expressed heartfelt gratitude for the gift of improved vision, which can positively affect their work, education, and daily activities.
- **Healthcare Accessibility:**  
The event helped bridge the gap in access to basic vision care for low-income and underserved individuals.

- **Community Engagement:**

The initiative fostered a strong sense of community and trust in the Lions Club as a reliable and compassionate service organization.

## **6. Conclusion**

The spectacle distribution event on 23rd November 2024 stands as a testament to the Lions Club of Colombo Royalty's unwavering dedication to community health and service. By restoring vision, the club has helped restore confidence, independence, and dignity to 500 individuals.

## **7. Acknowledgements**

We extend sincere thanks to:

- Project Chairperson Lion Mohamed Riyas and Coordinator Lion Shirani Jayasinghe for their leadership.
- All volunteers and healthcare professionals involved.
- The beneficiaries for their trust and participation.
