Region 3 Project Day – Awareness Programme

Venue: St. Anne's College, Kurana

Date: 9th November 2025

1. Introduction:

As part of Region 3 Project Day activities, an awareness programme was organized at St. Anne's College, Kurana, aimed at educating school children and their parents on vital issues concerning community safety and well-being.

2. Objective:

The main objectives of the programme were to:

- Educate students and parents on the prevention of natural and social disasters.
- Raise awareness on social health issues affecting the community.
- Promote proactive engagement in safety and wellness practices.

3. Programme Details:

The awareness session was conducted by a senior lady police officer from the Negombo Police Community Police Division. She addressed key topics such as disaster preparedness, social responsibility, crime prevention, and personal health and hygiene.

The session was interactive and informative, creating an engaging platform for students and parents to understand the importance of being prepared and aware in the face of modern challenges.

4. Special Contributions:

Colombo Royalty generously supported the event by contributing a gift worth LKR 5,000. This token of appreciation was presented to the senior police officer in recognition of her valuable service and contribution to community awareness and safety.

5. Outcome:

The programme was successful in:

- Increasing awareness among participants about disaster risk reduction and social health issues.
- Strengthening the relationship between law enforcement and the community.
- Encouraging active participation from students and parents in community safety initiatives.

6. Conclusion:

The awareness programme served as a vital educational tool for the local community. It emphasized the role of awareness and preparedness in building a safer and healthier society. The contributions and efforts of all involved, especially the Negombo Community Police Division and Colombo Royalty, were instrumental in the success of this event.
