

# Project Report: Blood Donation Camp

**Organized by: Lions Club of Colombo Royalty**

**Date: 23rd November 2025**

**Venue: Bodhirajaramaya, Panagoda**

**Project Chairperson: Lion Thushari Disanayake**

---

## 1. Introduction

On 23rd November 2025, the Lions Club of Colombo Royalty successfully conducted a blood donation camp at Bodhirajaramaya, Panagoda, in collaboration with the KDU Hospital Blood Bank. This initiative was aimed at supporting the local healthcare system by encouraging voluntary blood donation within the community.

## 2. Objectives

- To contribute to the national blood supply through voluntary donations.
- To raise awareness about the importance of regular blood donation.
- To serve the community by promoting health and humanitarian service.

## 3. Participation

- **Total Donors:** Approximately 100 individuals
- **Partner Organization:** KDU Hospital Blood Bank

## 4. Refreshments Provided

To appreciate and care for the donors, the club provided refreshments, which included water bottles, milk packets, and fish buns. The breakdown of costs is as follows:

Item	Quantity	Cost (LKR)
Milk Packets	100	8,000
Fish Buns	100	4,950
Water Bottles	100	3,000
<b>Total Cost</b>		<b>15,950</b>

## 5. Outcome and Impact

The camp was highly successful, with a large number of donors contributing to this meaningful cause. The collected blood will support patients in need and help address critical shortages in hospitals. The smooth coordination and donor care made a positive impression on all participants.

## **6. Acknowledgements**

Special thanks go to:

- **KDU Hospital Blood Bank** for their medical support and partnership.
- **Lion Thushari Disanayake**, Project Chairperson, for her excellent leadership and dedication.
- All donors and volunteers who made this event a success.

## **7. Conclusion**

This blood donation camp reflects the Lions Club of Colombo Royalty's strong commitment to humanitarian service and community health. The event not only saved lives but also promoted a spirit of unity and compassion among the participants.
