Dry Ration Distribution to Low-Income Families

Project Title: "Nourishing Lives – Dry Ration Distribution for Families in Need"

Project Chairperson : **Lion Sadik Hassan** - Member, Lions Club of Colombo Royalty

Date of Project Implementation: 15.01.2025

Project Location: Mattakkuliya and Modara areas, Colombo District, Sri Lanka

Project Objective:

To provide essential dry rations to economically vulnerable families in Mattakkuliya and Modara, thereby easing the burden of daily sustenance amid rising living costs.

Background and Rationale:

The Mattakkuliya and Modara areas in Colombo are home to many low-income families who struggle daily to meet basic nutritional needs due to increasing economic pressures. In line with the Lions Club's commitment to humanitarian service and community development, Lion Sadik Hassan identified the urgent need to support these communities with a direct food aid initiative.

Project Description:

Under the leadership and personal initiative of Lion Sadik Hassan, dry ration packs were distributed to **200 underprivileged families** residing in the Mattakkuliya and Modara areas. Each pack was carefully assembled to include essential food staples:

- **10 kg of Rice**
- **10 kg of Flour**

The estimated value of each pack was **4,400 LKR**, making the total project value approximately **892,000 LKR**.

Impact and Outcomes:

- **200 families** directly benefited from the distribution.
- Provided temporary nutritional stability and relief to over **1,000 individuals** (estimated family size of 5).
- Helped alleviate immediate food insecurity and reduce the financial stress on low-income households.
- Reinforced the Lions Club's presence and reputation as a compassionate and responsive community service organization.

Beneficiary Feedback:

Many recipients expressed heartfelt gratitude for the timely assistance, emphasizing how the support helped them navigate a particularly difficult period. The visible relief and appreciation underscored the importance of such initiatives and the trust placed in Lions Club service efforts.

Acknowledgments:

We extend our sincere appreciation to Lion Sadik Hassan for his leadership, generosity, and unwavering dedication to community welfare. His initiative is a shining example of the Lions spirit—**"We Serve."**

We also thank the volunteers and logistical teams who supported the smooth execution of the distribution process.

Conclusion:

This dry ration distribution project not only fulfilled a vital community need but also reinforced the Lions Club of Colombo Royalty's mission of serving with compassion and impact. It stands as a model for future initiatives aimed at supporting vulnerable populations across Sri Lanka.
