Dear Sir/Madam,

Re: Completion of Eye Care Program and Provision of Spectacles

We at Samarasinghe Optometrists would like to express our sincere appreciation for the opportunity to collaborate with the Lions Club of Pamunuwa (306-B1) and the Lions Club of Kandy Penguin Excellence (306-C1) in delivering essential eye care services to communities in need.

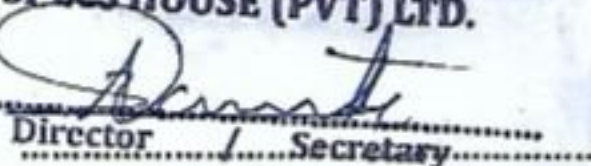

We are pleased to confirm the successful completion of the program, during which our team conducted comprehensive eye examinations, including intraocular pressure (IOP) testing, and provided 73 pairs of high-quality, customized spectacles to the selected beneficiaries.

The cost per pair is Rs. 13,500, reflecting the high-quality materials and attention to detail provided throughout the process.

We are proud to have partnered with your esteemed clubs in this impactful initiative and are eager to support similar projects in the future.

Please do not hesitate to contact us for any further information or follow-up.
