

## Project Report – Diabetes Screening & Awareness Program

**Organized by: Lions Club of Kandy Penguin Excellence**

**Date: 30th March 2025**

**Venue: Hotel Neits**

**Total Cost: LKR 27,970.00**

### Project Summary:

On 30th March 2025, the Lions Club of Kandy Penguin Excellence conducted a Diabetes Screening and Awareness Program aimed at supporting individuals from low-income backgrounds. The project focused on early detection, education, and health empowerment, serving 80 participants in total.

### Key Activities and Impact:

- **Free Diabetes Screenings:** Blood sugar tests were provided to all 80 participants to help identify undiagnosed or unmanaged diabetes conditions.
- **Health Education Session:** A nurse from the National Hospital, Kandy delivered an insightful lecture on diabetes prevention, the importance of a healthy lifestyle, proper nutrition, and regular medical checkups.
- **Beneficiaries:** Underprivileged individuals from the local area who may not otherwise have access to such medical services.

### Financial Overview:

- **Total Project Cost: LKR 27,970.00**

**This amount covered testing kits, medical supplies, refreshments, educational materials, and organizational logistics.**

**Conclusion:**

**This community health initiative successfully raised awareness and provided valuable preventive care to at-risk individuals. The Lions Club of Kandy Penguin Excellence remains committed to promoting better health and serving those in need through practical and impactful service projects.**
