### **Project Description**

We at the Lions Club of DLeoz have a special bond with our parents Club, L/C of Gothathuwa New Century Leos. It was truly a tragedy and a shock to hear the sudden demise of Lion Amila. He used to help a school child with financial difficulties, by providing a monthly allowance to the family.

In his remembrance, we with collective support from both Lions Clubs, donated Rs. 70,000/- for his future endeavors. This student is a very talented boy, specially in electronic side. We believe that this donation would help him for any new innovations.

This was donated at our Official Governors Visit which we held at Diamond Crown, Kelanimulla. The donation was presented by the District Governor himself in the presence of the 1<sup>st</sup> VDG & the 2<sup>nd</sup> VDG.

Dear President,

**FINANCIAL CONTRIBUTION TO A NEEDY SCHOOL CHILD**

Lions Club of Gothatuwa New Century Leo is willing to conduct a service project on our Charter Ceremony day. In memory of late Lion Amila, we members donated funds to the student Lion Amila kept on supporting for the last few years. He initiated this project to support this needy family by donating funds every month for this child's education purpose. We invited the mother and child to accept this donation on our charter ceremony.

As a tribute to him and as a continue his good thoughts, his sister Lion Jeewani keep on donating every month to this student for his education.

The special ability of this child is that he is talented at innovation of electric items by himself. We thought he may use this funds to buy a computer or use an investment for an electric product he would make.

As we were jointly organizing the charter ceremony for past year with Lions Club of Gothatuwa DLeoz, we would like to inform you that the **Rs 70,000/- profit** will also be donating to above needy child from both GNCL and DLEOZ.

Thank you,

Lion Sudaththa Ariyasena  
President
