Message by the President

Hello Lions,

I am deeply honored to take on the role of the 7th President of the Lions Club Gothatuwa New Century Leo. Just as each of us is unique, so too is the way we serve. Our diversity as Lions is one of our greatest strengths, and the communities we serve are just as varied. My approach to service is shaped by the example of my father, a dedicated Lion, and by the current needs of my community. Your approach will be guided by your own experiences and the specific needs of those around you. This is one of the many things I truly appreciate about being a Lion.

We each bring unique skills and talents that enhance the impact of our service. It's inspiring to see how every one of you uses your strengths to make a difference—whether it's in support of one of our global initiatives or a cause close to home.

Whether you're using your carpentry skills to build access ramps for those in need or your event planning expertise to organize the perfect fundraiser, your individuality and approach to service are the foundation of our strength as a global organization.

As Lions, you have the freedom to be authentically yourself. Trust me, as someone who often thinks a little outside the box, I know the value of bringing your unique perspective to the table. Be your amazing selves, Lions, because together, we are stronger.

Thank you
Yours in Lionism,
Lion Sudaththa Ariyasena MAF
President 2024-2025
