Project Description

In memory of late Lion Amila, we members donated funds to the student Lion Amila kept on supporting for the last few years. He initiated this project to support this needy family by donating funds every month for this child’s education purpose. We invited the mother and child to accept this donation on our charter ceremony.

As a tribute to him and as a continue his good thoughts, his sister Lion Jeewani keep on donating every month to this student for his education. The special ability of this child is that he is talented at innovation of electric items by himself. We thought he may use this funds to buy a computer or use an investment for an electric product he would make.
