Title of the Project: Donation of stethoscope to the pediatric ward of the IDH Hospital was done in order to facilitate smooth & efficient functioning and healthcare of the children in the area

Project Chairman: Lion Managala Perera

Date:	18 th October 2024		Location:	IDH Hospital	
Number of Lions:	11		No. Other Participants:	25	
Value of the Project (Rs.)	Rs. 49,000.00		No of Beneficiaries:	5,000	

Project Description:

Based on the requests made by Doctors at the IDH Hospital it was proposed and approved by the Board of Directors of the Club to Donate a specialty Stethoscope to be used for auscultation, or listening to internal sounds of a human body. A stethoscope can be used to listen to the sounds made by the heart, lungs or intestines, as well as blood flow in arteries and veins. In combination with a manual sphygmomanometer, it is commonly used when measuring blood pressure.
